DYNAFORCE left the gate in good order and was soon on the lead, set a comfortable pace during the initial six furlongs while having the opportunity to keep something in reserve, was roused when tested by the runner up midway on the second turn, matched strides with that rival until turning for home, shook off that one soon after entering the stretch then drew off during the final furlong under good handling. MAURALAKANA (FR) fought against the bit while being restrained during the run towards the opening bend, raced within striking distance along the outside until nearing the second turn, unleashed a three wide move for the lead under her own courage, raced as a team with the top one until upper stretch, proved no match from that point on but dug in with determination to preserve the place. COMMUNIQUE devoid of speed for three quarters, had a good late rally down the outside of the course. JADE QUEEN kept the pacesetter company for six furlongs and gave way. PALMILLA always inside, tired during the stretch drive.
