

Daily Racing Form - Text Chart - Data Fields

Chart File - Header - Track Identification Data

Field	Field Name	Data Type	Description
1	Record type	Character	Record type code "H" for card Header
2	Country code	Character	Three letter country code either USA or CAN
3	Track code	Character	Two or three letter track code
4	Race date	Character	Race date in CCYYMMDD format
5	Number of races on the Card	Numeric	
6	Day/evening flag	Character	"D" for Day Racing, "E" for Evening Racing; Note that "E" is only used when a track runs two cards of racing on one day.
7	Full name of sending track	Character	

Daily Racing Form - Text Chart - Data Fields

Chart File - Race Data

<u>Field</u>	<u>Field Name</u>	<u>Data Type</u>	<u>Description</u>
1	Record type	Character	Record type code "R" for race data
2	Race Number	Numeric	Race Number on the Card
3	Breed indicator	Character	Breed type of race
4	Race type	Character	Type of race
5	Restrictions	Character	Race restrictions code
6	Sex restriction	Character	
7	Age restriction	Character	
8	Division	Character	
9	Purse USA	Numeric	Purse of the race in US dollars
10	Reverts Money	Numeric	
11	Available Money	Numeric	
12	Paid to Others	Numeric	
13	Added/Guaranteed flag	Character	Indicator for Added/Guaranteed Money
14	Added Money	Numeric	
15	Includes 1 type	Character	Type of plus money
16	Includes 1 money USA	Numeric	Amount of includes 1 money in US dollars
17	Includes 2 type	Character	Second Type of plus money
18	Includes 2 money USA	Numeric	Second Amount of includes money in US dollars
19	Includes 3 type	Character	Third type of plus money
20	Includes 3 money USA	Numeric	Third type of includes money in US dollars
21	Plus 1 type	Character	Type of plus money
22	Plus 1 money USA	Numeric	Amount of plus money in US dollars
23	Plus 2 type	Character	Second Type of plus money
24	Plus 2 money USA	Numeric	Second Amount of plus money in US dollars
25	Plus 3 type	Character	Third type of plus money
26	Plus 3 money USA	Numeric	Third amount of plus money in US dollars
27	Minimum claiming price USA	Numeric	Minimum \$ amount a horse can be entered for in US dollars
28	Maximum claiming price USA	Numeric	Maximum \$ amount a horse can be entered for in US dollars
29	About distance indicator	Character	Flag to indicate a non exact distance
30	Distance	Numeric	Length of race
31	Distance unit	Character	F = Furlongs, M = Meters , Y = Yards
32	Surface	Character	Surface
33	Course type	Character	Code for type of course
34	Number of horses	Numeric	Number of horses in race
35	Race grade	Character	Grade of race 1,2,3 for USA; 4,5,6 for CAN.
36	Race name	Character	Full race name
37	Abbreviated Race Name	Character	Abbreviated Race Name
38	Post time	Character	Estimated post time for this race
39	Next Race off Time	Character	Estimated off time for the next race
40	Off Time for this race	Character	
41	Chute starts	Character	Flag to indicate race starts from a chute
42	Race Class Codes	Character	Indicators to identify race conditions
43	Track condition	Character	Condition of the track
44	Off turf indicator	Character	Flag to show race has been taken off the turf
45	Track variant	Numeric	Same as appears in the DRF newspaper
46	DRF Speed Number	Numeric	Same as appears in the DRF newspaper

Daily Racing Form - Text Chart - Data Fields

47	For Future Use	Numeric	Field will not be populated at this time
48	Wind speed	Numeric	Wind speed at race time; Only used for QH racing
49	Wind direction	Character	Wind direction at race time; Only used for QH racing
50	Race temperature	Numeric	Temperature at race time
51	Final time	Numeric	Final time of race formatted "MSS.HH" for TB & AR formatted "MMSSTTT" for QH & MX
52	Fraction 1	Numeric	Fraction 1 time formatted as MSSHH
53	Fraction 2	Numeric	Fraction 2 time
54	Fraction 3	Numeric	Fraction 3 Time
55	Fraction 4	Numeric	Fraction 4 Time
56	Fraction 5	Numeric	Fraction 5 Time
57	Individual time	Numeric	Individual final times for each starter formatted "MMSSTTT"; Only used for QH racing
58	Timer type	Character	"E", " " for electric or "H" for hand timed
59	WPS Pool	Numeric	Win, Place and Show Pool
60	Start Description	Character	
61	Weather	Character	
62	Temporary Rail Distance	Numeric	
63	Off Turf Distance Change Flag	Character	Yes/No flag to indicate a change in distance when a race is taken off the turf.
64	Official Indicator	Character	Yes/No flag to indicate if this is an official race

Daily Racing Form - Text Chart - Data Fields

Chart File - Exotic Wagering Data

<u>Field</u>	<u>Field Name</u>	<u>Data Type</u>	<u>Description</u>
1	Record type	Character	Record type code "E" for exotic wagering
2	Race Number	Numeric	Race Number on the Card
3	Wager Type	Character	Type of wager
4	Wagering Legs	Numeric	3 for pick 3; 4 for pick 4;
5	Winning Number	Character	
6	Minimum Payoff Amount	Numeric	200 = \$2; 100 = \$1
7	Pool Total	Numeric	
8	Payoff Amount	Numeric	
9	Carryover	Numeric	

Chart File - Attendance and Handle Data

<u>Field</u>	<u>Field Name</u>	<u>Data Type</u>	<u>Description</u>
1	Record type	Character	Record type code "A" for attendance and handle
2	Race Number	Numeric	Race Number on the Card; Always Zero (0) because this data is for the entire card.
3	Location Type	Character	
4	Location	Character	
5	Attendance	Numeric	
6	Handle	Numeric	
7	Reserved for future use	Character	Reserved for future use
8	Reserved for future use	Character	Reserved for future use

Daily Racing Form - Text Chart - Data Fields

Chart File - Comments for Race Oddities Data

<u>Field</u>	<u>Field Name</u>	<u>Data Type</u>	<u>Description</u>
1	Record type	Character	Record type code "C" for race comment record
2	Race Number	Numeric	Race Number on the Card
3	Result country code	Character	Three letter country code
4	Track Code	Character	Three letter track code
5	Race Date	Character	Race date in CCYYMMDD format
6	Result race number	Numeric	Race number (01 is a race number)
7	Result day/evening flag	Character	"D" for Day Racing, "E" for Evening Racing
8	Comment Type	Character	A = Other; B = No Contest
9	Comment Text	Character	Free form text describing the oddity.

Chart File - Foot Notes

<u>Field</u>	<u>Field Name</u>	<u>Data Type</u>	<u>Description (P for past performance)</u>
1	Record type	Character	Record type code "F" for footnotes
2	Race Number	Numeric	Race Number on the Card
3	Footnote sequence #	Numeric	Sequence number = 01, 02, 03, etc.
4	Footnote text	Character	Footnote text

Daily Racing Form - Text Chart - Data Fields

Chart File - Starters Performance Data

<u>Field</u>	<u>Field Name</u>	<u>Data Type</u>	<u>Description</u>
1	Record type	Character	Record type code "S" for starter information
2	Race Number	Numeric	Race Number on the Card
3	Horse Key	Character	Unique Identification key for the horse
4	Horse name	Character	Official name assigned by The Jockey Club
5	Horse foaling date	Character	Foaling year of horse in CCYYMMDD format
6	Area foaled	Character	Area foaled of horse
7	Breed of horse	Character	Breed of horse (see parameter attachment)
8	Sex of horse	Character	Sex of horse (see parameter attachment)
9	Color	Character	Starters color - if DK B/ expand to Dk B/Br
10	Dam's name	Character	
11	Dam's year of birth	Character	Foaling year of dam in CCYY format
12	Dam's breed type	Character	Breed of horse (see parameter attachment)
13	Sire's name	Character	
14	Sire's year of birth	Character	Foaling year of sire in CCYY format
15	Sire's breed type	Character	Breed of horse (see parameter attachment)
16	Broodmare sire's name	Character	
17	Broodmare sire's YOB	Character	Foaling year of broodmare sire in CCYY format
18	Broodmare sire's breed type	Character	Breed of horse (see parameter attachment)
19	Sire's Sire name	Character	
20	Sire's Sire year of birth	Character	Foaling year of Sire's Sire in CCYY format
21	Sire's Sire breed type	Character	Breed of horse (see parameter attachment)
22	Weight carried	Numeric	Weight carried by horse
23	Horse weight	Numeric	Weight of starter
24	Medications	Character	Medication codes for horse
25	Equipment	Character	Equipment used
26	Earnings USA	Numeric	Domestic earnings for this race
27	Jockey's last name	Character	Last name of the jockey
28	Jockey's first name	Character	First name of the jockey
29	Jockey's middle name	Character	Middle name of the jockey
30	Apprentice type	Character	Indicator for apprentice type
31	Trainer last name	Character	Last name of trainer
32	Trainer first name	Character	First name of trainer
33	Trainer middle name	Character	Middle name of trainer
34	Owner last name	Character	Last name of owner
35	Owner first name	Character	First name of owner
36	Owner middle name	Character	Middle name of owner
37	Odds	Numeric	Odds to \$1
38	Nonbetting indicator	Character	Indicator for nonbetting starter; Always Yes(Y)/No(N) value
39	Coupled flag	Character	Coupled letter
40	Coupled finish	Numeric	Finish position for other part of entry
41	Favorite indicator	Character	Indicator for favorite
42	Post position	Numeric	Starting post position
43	Program number	Character	Race program number
44	Position at start	Numeric	Running position at start of race
45	Position at POC 1	Numeric	Running position at point of call 1
46	Position at POC 2	Numeric	Running position at point of call 2

Daily Racing Form - Text Chart - Data Fields

47	Position at POC 3	Numeric	Running position at point of call 3
48	Position at POC 4	Numeric	Running position at point of call 4
49	Position at POC 5	Numeric	Running position at point of call 5
50	Original finish	Numeric	Original finish position
51	Official finish	Numeric	Official finish position
52	Length ahead at POC 1	Numeric	Lengths ahead at point of call 1
53	Length ahead at POC 2	Numeric	Lengths ahead at point of call 2
54	Length ahead At POC 3	Numeric	Lengths ahead at point of call 3
55	Length ahead at POC 4	Numeric	Lengths ahead at point of call 4
56	Length ahead at POC 5	Numeric	Lengths ahead at point of call 5
57	Length ahead at Finish	Numeric	Lengths ahead at finish
58	Length behind at POC 1	Numeric	Lengths behind at point of call 1
59	Length behind at POC 2	Numeric	Lengths behind at point of call 2
60	Length behind at POC 3	Numeric	Lengths behind at point of call 3
61	Length behind at POC 4	Numeric	Lengths behind at point of call 4
62	Length behind at POC 5	Numeric	Lengths behind at point of call 5
63	Length behind at Finish	Numeric	Lengths behind at finish
64	Dead heat flag	Character	Dead heat Indicator
65	Individual horse claiming price	Numeric	Subject horse's individual claiming price for race in US dollars
66	Short comments	Character	Short comments field
67	Long comments	Character	Field for comments
68	Win Payoff	Numeric	
69	Place Payoff	Numeric	
70	Show Payoff	Numeric	
71	Claimed Indicator	Character	Set to Y if horse was claimed
72	Claiming Trainer Key	Numeric	Claiming Trainer
73	Claiming Trainer Type	Character	
74	Claiming Trainer Last Name	Character	
75	Claiming Trainer First Name	Character	
76	Claiming Trainer Middle Name	Character	
77	Claiming Owner Key	Numeric	Claiming Owner
78	Claiming Owner Type	Character	
79	Claiming Owner Last Name	Character	
80	Claiming Owner First Name	Character	
81	Claiming Owner Middle Name	Character	
82	Scratch Reason Code	Character	Reason for scratch; V=Vet, O=other, etc.
83	Disqualification Indicator	Character	Yes/No indicator to indicate if this starter has been disqualified.
84	Disqualification Placing	Numeric	Placing position if starter has been disqualified. "00" if no disqualification has occurred
85	Trouble Indicator	Character	Yes/No indicator to indicate if the starter has encountered trouble during the running of the race
86	Corrected Weight Indicator	Character	Yes/No indicator to indicate if the starter started at a different weight than what was indicated on the program page
87	Over Weight	Numeric	Amount of the corrected weight. Defined as the result weight minus the program page weight
88	Individual Horse Time.	Numeric	Individual starter time. Note: only populated for non Thoroughbred starters
89	Trouble Code	Character	Yes/No indicator for Quarter horse racing only
90	Speed Index	Numeric	Speed index only used for Quarter horse racing only
91	Breeder Name	Character	Breeder name

Daily Racing Form - Text Chart - Data Fields
