MISSION CONTROL pressed the pace from the two to three path around the turn and came four wide in the upper and surged past to prove best. BLAZING BURROUGHS set the pace from the two path and came three wide in the upper but weakened late. CRAFTED was a step slow at the break and tipped to the inside and tracked the pace around the turn but needed punch in the stretch. MR. HIGH POCKETS raced in the four path for most of the race and was evenly paced. IT'S GOOD TO BE SEEN settled mid-pack early in the three path then tipped to the inside on the turn but had no kick. This race had a timing discrepancy or malfunction and was re-timed using video technology to arrive at the most accurate time.
