WALTERS CAMPAIGN settled off of the early pace, was well placed while saving ground approaching the turn, kept an inside path to the quarter marker then vied for the lead nearing the top of the lane, took command to upper stretch and led to the furlong grounds, drew away in the final sixteenth and was ridden out late to win as much the best. BLESSED FORTUNE tracked the early pace from the second flight, chased four wide at the quarter marker then ran in pursuit while widest to upper stretch, was no match late for the winner but kept on to earn the place. SUPER SAIYAJIN broke alertly and showed good speed from the gate, led into the turn then dictated terms while off of the rail nearing the top of the lane, overtaken by WALTERS CAMPAIGN in upper stretch and chased the winner into the final furlong, couldn't keep pace to the final sixteenth then was outfinished for the place, while clear of the rest for the show. TRUST THE PROCESS close up to the early pace, stalked from the inside along the backstretch, shifted to the outside of the pacesetter entering the turn and pressed three wide nearing the quarter marker, lost ground to upper stretch, couldn't find more in the final furlong and weakened. LUMPSTER settled along the rail in the early stages then trailed into the turn, kept an inside path to upper stretch and gained ground approaching the furlong marker, couldn't sustain that run past mid-stretch and faltered late. CYBER ROCKET broke out at the start and was last away from the gate, rushed outside of rivals heading to the turn then ran in pursuit three to four wide nearing the quarter marker, couldn't find more into the stretch drive and came up empty in the late stages. This race had a timing discrepancy or malfunction and was re-timed using video technology to arrive at the most accurate times.
