BURNHAM SQUARE prompted the leader from the three path early on, took control and showed the way in the two path into the second turn, met a rival's outer re-challenge into the far turn, battled neck and neck with that one into the lane, sparred gamely through the final furlong and tenaciously clung to an advantage to the wire. CHAPMAN'S PEAK led in the two path early on, ceded the front to an outer foe reaching the wire for the first time, settled into stalking stride in the two path around the second turn, ranged up to bid outside of the well-traveling leader entering the final bend, gamely battled with that one thereafter but missed at the wire. DANCIN IN DA'NILE got antsy behind the starting gate, laid off of teh pace two wide, took closer order between rivals approaching the far turn, forged show turning for home, then chased the top pair home to prove best of the rest. ECHO LANE tracked from the three path, chased four deep into the lane, but lacked progress then saved fourth. CLYDE'S GOT A GUN laid well back in the two path, swung from the three path to the five path into upper stretch but only offered a mild kick to miss fourth. THE HIDDEN CHAMBER trailed along the inside, then in the two path around the final turn and failed to menace. SPOILER tracked along the inside, chased around the final bend then gave way. TIMEOUT saved ground off of the pace but to no avail.
