CAMANOE was well rated early and for the first circuit, moved out after the ninth jump and made a two wide move on the far turn and went clear and then drew off in the lane under hand urging to prove much the best. PATH TO VICTORY stalked the early pace on the first turn, then went up to vie for command over the second jump, then went on to show the way on the second turn and opened up down the lane the first time, drew off on the third turn and then was headed on the far turn with about three furlongs to go and could not match strides with the winner while staying on to be clearly second best. BELLA ESTRELA was keen and rank on the first turn while being hard held on the first turn and led entering the backside and then was passed over the second jump, tracked the pace on the inside on the second turn and then chased the pace on the third turn and moved out in the lane and was up for the show award late while no match for the top two while racing greenly. MOMMA'S LINO tracked the pace on the outside and then chased the pace two wide on the far turn and tired in the lane losing the show award, was vetted on the track by the vet and loaded onto the equine ambulance for further evaluation. LORRAINE (FR) checked on the first turn and fell back to trail early, advanced to mid pack but lacked a late rally. UNFOLDING BEAUTY was settled on the outside three wide and tired. IT'S HOT IN HERE (IRE) was void of early speed and failed to menace. GRACE DARLING (IRE) was settled along the inside and tired. LADSFIRSTLOVE was reserved on the inside and then left the course after the seventh jump.
