FLY NOW settled behind the pace along the inside, headed up the second flight into the far turn, tipped out three wide when beginning to move midway on that bend, engaged the leaders three wide turning for home, quickly shook clear in upper straight and maintained a comfortable advantage to the wire while kept to pressure. BOSS LILY lacked speed while racing off the inside, raced between horses in the two path far bend, angled out a bit to be four wide when moving closer exiting the final turn, could do little with the winner through the lane while remaining clear for the runner up spot. BAD BOY BLAZE hesitated at the break to spot the field a couple of lengths, raced back while three wide through the first turn, floated out five wide by the runner up exiting the second while advancing, displayed a mild amount of interest in the run to the wire to report home best of the others. BREWMASTER lacked speed inside, moved slightly closer in the second turn when still saving ground, moved out slightly when set down for the stretch run, improved position with a modest rally without posing a serious threat. HIGH YIELD HUNK behind the pace off the inside, in the second group between horses while outside the winner into the far turn, failed to go with that one with less than three furlongs remaining, steered out to be five wide into the lane, went evenly in the drive while continuing to lack a significant response. STONE COLD JONES broke well from the outside, relinquished the advantage in the first turn while off the rail, chased the pacesetter up the backstretch and into the far turn, gave way in the drive. RANDY SAID SO took over along the inside before a quarter, set the pace while saving ground, continued to hold the advantage second turn then stopped when headed by the winner, entering the straight.
