WORRYABOUTYOURSELF bumped and broke behind early leaders, dropped inside turn, cut the corner into the lane, switched out with less than a furlong remaining when beginning a run, late surge to be up in time. OCCUPY bumped just after the start, raced behind the leaders inside, angled out and moved to challenge three wide turning for home, gained the advantage, led late, could not contain the winner, narrowly saved the place. VOLADORA broke out, bumped the winner, lacked speed four a half, two path into the lane, steered to the outside, moved out and accelerated quickly with less than a furlong remaining, finished full of run to be going best of all at the end. SPUR OF THE MOMENT away well from along the inside, dueled while saving ground into and through the turn, yielded to the runner up with just over a furlong remaining then weakened gradually to lose a couple of additional positions late. TAPIT NITRO came out to bump the runner soon after the start, settled behind the dueling leaders while in the three path, roused for the drive, had little left for the run to the wire. MIDNIGHT LAUGH away well, dueled up front in the two path, first to blink. AIR KISS broke awkwardly, lacked speed while saving ground, bettered her position through the lane while passing mostly tiring rivals. PRINCESS ELIANA broke back and made little impact while racing off the inside. DIAMOND DEB broke with the field, one paced in mid pack, weakened the finbal furlong. LONG SHOT LADY fell back to trail soon after the start, was never a factor.
