AYZEE got away alertly and set the pace while pushed along, was headed into the lane but dug in and battled through the wire, winning in a game effort. OSTRICA moved early for position and pressed the pace, battled into the stretch and was all out late, holding on to be second best. BRONZE LEGACY settled in the second flight early while four wide then made a sustained rally through the second turn while six wide and was gaining late. PROTON KITTY stalked the pace along the inside and waited through the turn then was asked in the stretch and made a rail rally but was outfinished. WALKSONWATER raced close up early between horses and steadied near the 7/8 pole then raced under a tight hold through the opening three quarters, lacked room through the second turn but ran on late in the lane. SWEET AURORA G broke well and chased the pace while five wide then made a bid between horses in the stretch but faltered late. MY ROYAL PRINCESS rated in the middle of the pack early then angled seven wide into the stretch and was asked but was gaining too late. ESKENFORAVE AND AK was void of early speed before moving up along the inside on the run into the backstretch but lacked any late response. ANNALA was allowed to settled early before angling nine wide into the stretch but made no rally. This race had a timing discrepancy or malfunction and was re-timed using video technology to arrive at the most accurate times.
