THREE ZERO chased the leader on the outside up the backstretch, came around the turn in the four path, bumped with an outside rival nearing the quarter pole, and gained ground late between horses to get up for the win. WAR WARRIOR raced in the middle of the pack on the inside up the backstretch, navigated the turn from the three path and improved position on the rail to the finish. IF NOT FOR LUCK raced off the pace early, swung out to the six path coming around the turn, bumped with an inside rival coming off the turn and gained ground late on the outside from there. CAPTAIN EDDIE dueled on the inside through the opening quarter, continued to battle from the two path coming around the bend, drifted out in the lane and was caught late. NIC'S BRO raced in the middle of the pack on the outside up the backstretch, swung out to the five path coming around the bend, bumped with several riders at the quarter pole, switched outside to find racing room in the upper stretch and made up some mild ground from there. AMERICAN DIRECTION dueled on the outside up the backstretch, navigated the turn from the three path, raced into traffic and was pinched back with a furlong to go and weakened from there.
