ROTTERDAM settled in third under a snug hold, then second on the backstretch, took the lead on the backstretch, traveled fluidly around the final turn, led at the final hurdle, challenged by CITY LEADER a head back, then drew clear in the final strides. CITY LEADER rated well, rallied around the final turn to gain second, gave chase over the final hurdle drawing within a head of the leader, finishing second best. RUN FORREST RUN settled in fourth, ran on for third, not troubling the top two. MISSION MAN stalked in second early, gave chase in third around the final turn, then weakened approaching the final hurdle. I'M A BELIEVER (IRE) led till backstretch, tired, stopped, pulled up. CRACKING CONNOR was far back on the final circuit and pulled up before the final fence on the backstretch. GAME POINT was far back on the final circuit and was pulled up. TRANSACTIONAL (GB) was well back on the first circuit and was pulled up. HARD SPUN TO RUN was far back on the final circuit and pulled up before last fence on the backstretch. HARD TRAVELER was scratched by the stewards after the horse ran off uncontrolled on the way to the start and galloped at least a half a mile before being pulled up assisted by an outrider.
