QUIBBLER raced off the pace about the wide coming on the hill then tipped out nearing the upper and came up between rivals and started it's rally before shifting closer to the inside and meeting the leader then kicked clear in the stretch and proved best. FIFTH PEG was bumped at the start of the raced and settled into position in the third flight between rivals racing two to three wide and bumped with KAKI briefly going sideways nearing the bottom of the hill, then showed some kick entering the upper trying to find room angling in then tipping back outside and kept on just outfinishing a rival for the place award. SOCK MONKEY tapped FIFTH PEG from the jump and was bumped again from the outside while leaving the gate before settling near the back on the inside, then mid-way coming down the hill was close up on a rivals heels and steadied then angled out coming into the upper about four to five wide and angled out again deeper before making a late rally. TODAY ISA GIFT shifted up early on and assumed command coming up the hill from the inside and set a controlled pace then inched clear in the upper while coming slightly off the rail but needed more in the deep stretch. KAKI was brushed at the start and raced in the third flight about three to four wide and bumped with FIFTH PEG mid-way down the hill and kept on in the upper but was just missing punch in the stretch. LA NOCHE NEGRA settled mid-pack four to five wide off the rail on the outside of the field and tipped out widest coming off the bend and finished evenly while tipping towards the inside. LILY ISABELLA pressed for command early on from the four path and continued on with the leader TODAY ISA GIFT, but lacked a response in the stretch and faded. CHAMITA was forwardly placed early and settled back and tracked the pace from the four path around the hill then tipped towards the inside while weakening in the stretch. CAPODOST was brushed at the start and settled into position between rivals tracking from the two path, then tipped out a little coming into the upper but faltered in the drive. ZARZUELA raced in the mid-pack on the inside rail and came out a bit entering the upper but had no kick in the stretch. HIPS OF A LADY broke outwards brushing with the gate before colliding with it's inside foe then settled into stride off pace in the two path and tipped out a bit coming into the upper but was no factor. SHAYS GRAY kept up an early pace off the break then settled a couple lengths back along the inside and tracked the pace for the remainder of the race before tiring out in the upper.
