B. c, (Apr), by Quality Road – Kitten's Finest, by Kitten's Joy. Trainer Sharp Joe. Bred by Susan Naylor (Ky).

LAHAINALUNA broke slightly outwards and bumped HOLYROOD and was put in a tight position and got squeezed to the back of the pack then inched forward along the backstretch and raced into the mid-pack before coming two to three wide on the turn and swung out closing towards the upper then shifted near the inside rail while drawing clear from the rest and easing through the finish. ONRUSH broke towards the outside and got close to the front early but opted to track the pace from the two path and continued to the bottom of the hill and steered outside and showed some late kick but was no match for the winner while holding the place award. MASSACHUSETTS raced towards the back in the three path through the early stages of the race then swung out coming off the upper and made a late rally from the outside and just missed the place award. PAX MUNDI was forwardly placed through most of the race in the four path then vied between coming to the bottom of the hill and kept on but weakened slightly in the stretch and settled for the minor awards. LET'S BE FRANK was pressured towards the outside at the break and bumped with STILL SOBER and was positioned in the mid-pack along the inside then settled back some coming up the hill while remaining on the inside before tipping out towards the upper about three to four wide and racing up along side rivals then swung out nearing the furlong marker but needed kick. HOLYROOD bumped at the break by LAHAINALUNA and raced towards the back of the pack before advancing on the backstretch and stalking the pace leading up the hill from the three path, was bumped and steadied slightly approaching the upper and faded while entering the stretch. STILL SOBER was bumped from both sides at the break and settled at the back off the pace then advanced quickly coming down the hill from the four to five path and kept on to the stretch between rivals but weakened. GETTLEMAN tracked the pace from the inside with one other rival and remained in position until nearing the bottom of the hill and checked towards the outside avoiding a foe then shifted back in but had no rally. OLIVETTI broke and settled towards the mid-pack and dropped back some on the backstretch then came four to five wide around the hill and swung widest into the upper but was no factor. FEELING GRAND stalked the pace early on and shifted up and pressed while teetering dueling with PAYTON'S HAMMER from the two path then bumped HOLYROOD nearing the bottom of the hill and faded entering the stretch. DIAMOND EYED JACK raced mid-pack about three to four wide off the rail and tipped to the inside after passing a foe and came out a bit avoiding trouble nearing the upper but was no menace. PAYTON'S HAMMER broke well and sent for the pace early on from the inside and continued with eagerness through to the bottom of the hill where the rider checked hard nearing the upper stretch and eased to the back.
