RED SQUARE tracked the pace from the two path through most of the race before shifting up nearing the final furlong and taking command then inching away running through the stretch to prove best. BLAZING TIGER was rated back a couple times coming around the hill while being on the inside and got bumped by PUTEKETEKE coming off the bend and was steadied hard by the rider after throwing it's head in the air then continued on shifted up behind the top two leaders in the upper and tipped out near the final furlong making a strong bid but finished on even terms with the winner after being a couple lengths away. PUTEKETEKE settled into the mid-pack in the two path and bumped into BLAZING TIGER nearing the quarter pole then dropped back in the upper and circled the field from the outside while making it's rally and was just up for the show award. JUBILEE PARADE send for the lead after the break and shifted to the inside and vied for pace with two other rivals and kept on, lasting the longest between the trio but ultimately weakened a little before the wire. QUINTILLION broke towards the back and advanced into the mid-pack coming up the hill from the four path and shifted closer while rallying from the outside in the upper but needed more in the stretch. BOURBONKOMA was bumped outwards after leaving the gate and settled towards the back in the three path then tipped out entering the stretch making some improvement but lacked enough kick to contend with the top finishers. NAYAK (IRE) was bumped from the inside and outside at the break and shifted up quickly and vied for pace between rivals from the three to two path then began to weaken in the upper and faded back in the stretch. MR. VAGGIO tracked the pace from the three path throughout the early stages of the race then steadily weakened after entering the upper stretch. NAVIGATE broke outwards and bumped a rival at the start and was void of early speed and raced off the pace two to three wide off the rail but had no rally in the stretch. FIZZGIG settled back along the inside for the entire race and was no factor. DISMISS vied for pace soon after leaving the gate and came four to three wide around the hill and kept on slightly weakening in the upper then faded and was taken off by the Equine Ambulance.
