Dk. b or br. f, (Apr), by Army Mule – Aspiring , by Seeking the Gold . Trainer Lovell Michelle. Bred by Hill N Dale Equine Holdings Inc (Ky).

SONGADEEWIN tracked the pace closely around the hill from the inside then tipped out with hardly any room passing by the five sixteenths into the two path and was being pressured to the inside by UBI heading down the upper before getting to the inside and dueling in the stretch while being hugged against it's opposing rival and the inside rail and was just up in the final yards. UBI (IRE) was up close to the lead early then dropped back after being between rivals and settled a couple lengths behind the pace in the two to three path then steered out after passing the five sixteenths and drifted in while making a strong rally and dueled with SONGADEEWIN brushing and bumping through the final furlong but gave way grudgingly in the end. STEPHS FACTOR raced up close early on then pressed the pace from the three path heading around the hill and made a bid passing the quarter pole but weakened briefly and had some late kick in reserve to just pass AVALON BEACH in the final furlong. AVALON BEACH set a pressured pace along the inside and kept on pushing to the final furlong and was slightly steadied by SONGADEEWIN after being in tight against the rail and dropped back then angled out and weakened. PLAY ALONG was a step slow after being bumped by PLACING BLAME and trailed the field from the inside around the hill then came under some encouragement turning into the straightaway and made a mild late gain in the stretch. PLACING BLAME broke outwards and bumped into PLAY ALONG then settled along the inside in the mid-pack, angled out about four wide turning off the bend and just needed more kick in the stretch. REVEREIGN settled back in the three path coming up the hill and came out five wide nearing the bottom and tipped into the eight path in the upper and passed tiring rivals in the stretch. BABY BEACH raced towards the back half of the pack along the inside and tipped out nearing the bottom of the hill but weakened in the upper. SEA OATS was a step slow at the break and raced towards the back coming two to four wide up and around the hill then swung seven wide into the upper and faded. GREAT GRENZEN had a little stumble at the break and quickly shifted up and pressed the pace from the two path then was in a bit tight nearing the five sixteenths and altered it's stride dropping back a couple lengths and faded shortly after.
