FLEETINGLY was a step slow at the break and raced towards the back early from the inside before moving into the mid-pack then tipped out three to four wide in the upper while coming under a drive and briefly dueled with PLANET CLARE in the stretch but closed up well to prove best. PLANET CLARE raced at the front of the pack along the inside then tipped out slightly in the upper around MOON LAW as they were fading and took brief command of the lead before dueling FLEETINGLY but was quickly outfinished and settled for the place award. CHARTIST brushed the right side of the gate while breaking outwards and bumped with SUSSUDIO then raced up around the first turn about two wide and came out along the backstretch while being forwardly placed, then tipped to the inside heading down the hill and tipped back out about four to five wide in the upper making a bid, but evened out after getting a length away from the lead and held the show award. MOON LAW set an unchallenged pace soon after the first turn while shifting to the inside then drew well clear from the pack down the backstretch but weakened in the upper and held the minor awards. CAILIN DANA raced in the mid-pack early on while settled along the inside then dropped back a bit coming up the hill while remaining on the inside, then snuck up the rail in the upper and tipped out late in the stretch while improving but needed more. SUSSUDIO was bumped at the start and raced towards the back of the pack coming three wide through the first then four wide around the hill and continued on into the stretch but lacked kick. NEENAH came widest around the first turn while settling into position and moved up towards the front half of the pack from the five path, then shifted in a bit coming up the hill to be three wide and kept on in the upper but flattened out in the stretch. MISSY BEE raced towards the back of the pack along the inside through the first half of the race and was unhurried heading up the hill while coming out five wide and swung out widest in the upper but made no rally. PRINCESS EM TOO raced mid-pack from the four path through the entire race and briefly stayed in contention in the upper but faded nearing the final furlong marker. NYKTOS raced off the paced through the early stages coming two wide around the first then came out six to seven wide coming around the hill and was never a factor. MY WISH raced mid-pack along the inside coming around the first and into the backstretch then tipped into the two path coming down the hill but tired out nearing the upper.
