HOW'S AL TODAY tracked the pace from the three path around the hill then tipped out just before the quarter pole about five to six wide and surged from the outside and drew clear past the leader and shifted towards the inside while proving best. JAS broke to the front and vied at a controlled pace coming around the hill from the two path while being between rivals and kept on, pulling ahead in the stretch but was passed by the winner and was no match. AGATE settled along the inside in the third flight at the back of the field and took a bed step nearing the five furlongs marker while being bumped by OTHERWORLDLY and kept on to the upper, tipping out slightly and circling SIR HANSEN while making a strong rally and came up late for a clear show award. OTHERWORLDLY (IRE) was off slow at the break and raced towards the back in the two path and bumped around AGATE while coming around the top of the hill and continued on to the upper, tipping out mid-way into the six path and improved in the stretch to just get the minor award. TRIM CASTLE broke outwards towards the front and quickly stalked the pace from the five path around the hill then rallied early on heading into the upper coming up close to the front runners but weakened slightly while drifting towards the inside in the stretch. HIT THE HIGH NOTE was reluctant loading into the gate and raced off the pace at the back of the field in the three path then tipped between rivals heading through the upper and was in tight and bumped with ONE NUMBER and slightly weakened. ONE NUMBER raced in the mid-pack while coming four wide around the hill then tipped out slightly off the bend and into the upper but was bumped sideways nearing the final furlong and weakened. TOLSTOY broke outwards and bumped CALPABLE then raced up and vied for pace from the four path and continued on to the upper but weakened after passing the quarter pole. CULPABLE was bumped by TOLSTOY at the start then tracked the pace from the two path between rivals around the hill but was empty in the stretch. SIR HANSEN tracked the pace from the inside in the second flight throughout the entire race then kept on through the upper and weakened a bit before fading out in the stretch. BET ON SILVER raced off the pace in the six path coming around the hill but was no menace in the later stages. CARIBBEAN WARRIOR vied for pace off the break while being along the inside but tired out after nearing the stretch and slightly steadied while fading back.
