FANCY FERRARI was squeezed at the break and was forwardly placed racing four wide around the hill, then surged through the upper taking command and drawing away and held sway to the wire. SUCKER FOR LOOKS settled towards the back of the pack in the three path then tipped towards the inside and advanced up the rail in the upper then tipped out and vied with two other rivals just having enough kick to best them but not the winner. PEARL LAKE raced towards the back of the pack coming five wide around the hill then swung out widest into the upper and brushed and bumped with a rival while making a late bid and just got up for the show award. ZIPLINE broke out and bumped into FANCY FERRARI then raced mid-pack three wide around the hill and angled out near the quarter pole bumping with a rival and kept on with it's rally improving in the stretch but was just short of the money. MAYFLOWER GIRL broke at the front and raced forward early then chased the pace from the two path to inside and kept on but just needed kick in the stretch. WON'TCATCHMECRYAN sent for the pace soon after the break coming three wide up the hill and was pressured by DO WAH DIDDY heading down the hill and kept on but weakened in the final sixteenth. RHETT DREAMS raced in the mid-pack from the five path through most of the race and was bumped nearing the quarter pole by ZIPLINE before being cut off further nearing the stretch and had no kick after. SWEET BUTTERCUP broke inwards and bumped DO WAH DIDDY and was brushed outwards bumping into HER FINAL WORD before settling into the mid-pack about five to six wide around the hill, then took a bad step, slightly stumbling while passing the three furlongs marker then tipped between rivals nearing the final furlong and was empty in the stretch. R RUTH OF MY LIFE stumbled a jump out of the gate and settled towards the back along the inside then took a bad step following a rival passing the three furlongs marker while tipping out, then got in tight in the upper coming up on the heels of ZIPLINE and didn't make a rally after. DO WAH DIDDY was squeezed at the start and settled into stride brushing it's rival outwards while quickly rushing up five wide around the hill, eagerly pressing the pace while being held back a bit by the rider then bobbled while turning into the straightaway and faded in the stretch. HER FINAL WORD raced off pace out of the gate and came four wide around the hill while steadily getting distanced from the pack and was never a factor.
