TYLER'S TURN unhurried early after being last away, two path onto and up the backstretch, advanced in traffic between rivals to become a forward factor into the far turn, challenged three wide and outside one of the pacesetters, dueled into the lane, continued to hold a small advantage a furlong out then kicked clear late. REBEL MOON settled in mid pack in the two path, continued in the main body up the backstretch, encountered some traffic far turn, came three wide for the drive, rallied and was up late for the place, no threat to the winner. BUZZ LIGHTFOOT broke out but forwardly, dueled up front in the two path into the first turn, continued to alternated up front onto and up the backstretch, disposed of the other speed midway on the final bend, responded with the winner challenged soon after, dueled with that one through upper stretch and past the furlong marker then could not keep pace, caught late for the second spot. MAX S bothered at the start, behind the pace inside, continued to save ground final turn, cut the corner into the lane and improved position slightly in the drive while not posing a serious threat. HEATS HERO broke out, was straightened to help show the way into the first turn, alternated up front in the run up the backstretch, first to blink far turn, continued to weaken stretch. CAPTAIN BLOOD four wide through the first turn when with the main body, continued widest, four to five wide when floated out in the far bend, tired in the drive. CASTLE GAP in the second flight while three wide through the first turn, four wide through most of the second turn when between rivals, gave way down the lane.
