REBEL MOON forwardly placed while four wide and between horses into the first turn, angled in a bit when prompting the leader onto and up the backstretch, took over from that one late in the final turn, drew out through the lane while being kept to task. PEYTON'S DAY with the lead pack while five wide into the first turn, worked way toward the inside a bit onto the backstretch, prompted three wide into the far turn, proved no match for the winner, clearly second best. MUCHO MACHO CAM off a step slow, raced back off the pace along the inside, moved up a bit onto the backstretch to head race in the second flight, remained inside through the final bend, finished up best of the rest with some mild interest. CAUSE IM THE KING six wide into the first turn, four path when with the chase pack onto the backstretch, continued in the four path through the second bend, moved a bit closer then went flat through the lane to finish up evenly. I BET YOU WONT rank when five wide into the first turn, continued keen late in that bend, settled in the second flight while between foes the middle half, came up empty for the stretch run. VEGA STAR showed the way into the first turn off the inside, continued to set a pressured pace the middle four furlongs, headed by the winner turning for home, switched out, and continued to weaken. INACLASSOFMYOWN broke out, shuffled back in some traffic midway on the first turn, fell back, saved ground when trailing through the final bend, failed to muster a rally. This race had a timing discrepancy or malfunction and was re-timed using video technology to arrive at the most accurate time.
