INCREASE forwardly placed with the first flight while three wide into the first turn, settled behind the two leaders midway on that bend, remained in the second flight up the backstretch in the three path, asked along second turn, stalled and lost contact with the runner up when straightened for home, shaken up, late surge to get to that foe in the final strides. ALOHA TRACY broke out to bump TRES JOLIE, was straightened and pressured the leader from the outside, took over from that one second turn, well clear when straightened for home, shortened stride a bit late to be caught at the wire, remained well clear of the others. TENSAS UNION GIRL in the second ground behind the leaders and inside the winner, attempted to go with that while in the two path second turn, could not keep up with that same foe or the winner stretch, clearly best of the others. TRES JOLIE bumped to be off slowly, lacked speed while just off the inside first turn, continued in the two path into and through the second bend, improved position without proving a serious threat. GREY STRAT went one paced off the inside throughout in lacking a closing response. I'M A POUND off the pace and the inside, raced three wide through the first turn, continued outside, moved closer four wide with a mild middle move in the second bend then flattened out through the stretch. LADY CALYPSO hesitated to be off a couple of lengths slow, raced well back inside, steered three wide turning for home, picked off a couple of tiring rivals after the issue had been decided. AMERICAN CANDY broke on top, set the pace inside, gave way when headed. QUEEN'S GUITAR remained always back and was never a factor.
