TRASHY MISSION set the pace under mild pressure to the quarter pole, drew away when called upon while leaning into the rail down the lane racing on the wrong lead and still proving much the best. CASH CASHEL prompted the leader through the turn, could not match that one when the running began and chased him through the lane willingly. KABITZEN reserved off the pace to late on the bend and rallied mildly in the lane to be the best of the trailing trio. CERATI tracked the leaders and failed to mount a challenge travelling evenly. GUNNAMAKECENTZ hesitated at the start giving the field several lengths and was never a threat.
