Dk. b or br. c, (Feb), by Speightstown – Antonoe , by First Defence . Trainer Brown Chad C. Bred by Juddmonte (Ky).

SALAMIS was fractious in the gate, came away in good order, tucked in behind cover early, was rated in the two path, ranged up while shifting out to three on the far turn, gained to make a bid coming to the quarter-pole then was roused for more, took the lead in upper stretch, battled outside of the runner-up in the final furlong and narrowly prevailed under strong urging. SAND PIPES angled in while going to the front, went around the first turn in the two path, showed the way down the backstretch, vied inside to the two path while asked on the far turn, lost the advantage to the winner in upper stretch, came out some around the eighth-pole, fought on well inside of that foe in the final furlong, battled determinedly to the finish and just missed while clear for the place. SPIRIT OF ST LOUIS bumped with foes just after the start, was rated while saving ground, came under urging on the far turn, moved out under a drive in upper stretch, came further out while chasing near the furlong marker and lacked the needed kick but was clear for the show. SEA SINGER (IRE) broke awkwardly and was last to commence, rounded the first turn in the two path, was unhurried while given some cover at the rear, moved from the two path to the four path while roused on the far turn, spun into the stretch in the five path under the crop and lacked the needed response. BRITAIN'S KITTEN bumped with a foe just after the start, was taken in hand early, settled on the inside, was roused on the far turn and failed to rally. CAPTURE THE FLAG came in at the start then made light contact with an opponent, established a forward position early, raced in the two path on the first turn, stalked outside on the backstretch, chased in the two path on the far turn, dropped back under a drive into upper stretch and came up empty. This race had a timing discrepancy or malfunction and was re-timed using video technology to arrive at the most accurate time.
