CHIEF OF PEACE broke in and bumped with AND THE RUNNER IS then leaned on a foe, moved up before the first turn, saved ground while rated just off the pace, was asked with a clear opening at the quarter-pole, chased while coming off the inside in upper stretch then was straightened by the rider, rallied to make a bid inside of foes outside the sixteenth-pole and surged to get up in the final strides and narrowly prevail. AND THE RUNNER IS broke in and hit the gate soundly then bumped with foes, stalked the pace on the outside in the three path while traveling comfortably, turned up the pressure on the far turn, was carried into the stretch in the five path, dueled outside of HARBAUGH into the final furlong then brushed with that foe, fought on into the final sixteenth, battled outside of two rivals late and was denied while just able to get the place. HARBAUGH brushed the gate at the start then bumped lightly with AND THE RUNNER IS, went to the front, showed the way on an easy lead while inside to the two path, came under coaxing while needing extra left-rein pressure to navigate the second turn, spun into the stretch in the four path, dueled inside of AND THE RUNNER IS into the final furlong then brushed with that foe, fought on well into the final furlong, battled between horses late and just missed while able to get the show. BROADCAST tucked in early, rounded the first turn in the two path, was rated outside but with cover, went around the far turn in the three path, swung out to the six path while roused into the stretch, chased outside in the drive, gained gradually late and missed while able to get the last spot in the superfecta. HYPERSCALER broke in then leaned on an opponent and dropped back, was reserved in the two path, moved to the three path late on the far turn, came out to the seven path into the stretch and lacked the needed response. OBLITERATED dropped back while in tight quarters early then moved in, settled towards the rear while inside to the two path, was roused on the final turn and lacked the needed kick. BROADWAY GUY was off slow and spotted the front a few lengths, moved in at the rear, saved ground on the turns and was no factor.
