MARKSALOT away in good order, showed speed and took early command, drew to a clear lead into the turn, kept to task to upper stretch and held sway to the wire under steady late urging. SHELL GAME close up to the early pace while between rivals, chased two wide into the turn, ran in pursuit four wide into the turn, could not make headway on the winner in deep stretch but fought on late to earn the place honors. DANNYBOB was forwardly placed to begin, chased the pace to the turn, angled to the three path to upper stretch, could not impact the winner into the lane, was outfinished for second and just held for third at the wire. LONE MOUNTAIN GIRL tracked the early pace from the second flight, bid from the inside to upper stretch, could not find the needed final response and just missed for the place and show. PRETTY PEPPY settled off of the early pace while never far back, saved ground into the turn, chased to upper stretch, lacked the needed late response and finished evenly. LA VIKINA chased the early pace from between foes, ran in pursuit two to three wide along the turn, was outkicked into upper stretch and weakened in the drive. FORTY FIVE away in good order, rated off of the early pace and tracked from the second flight, chased three to four wide along the turn, lost ground nearing the top of the lane and gave way. SILVER ABSTRACT hard to load prior to the start, took back and settled in the early running, coaxed three wide into the turn, was getting out and chased from the five to six path to upper stretch, no threat late. MAYA D a bit slow into stride away from the gate and allowed to settle early, coaxed two wide and between runners into the turn, got shuffled back and lost position nearing the top of the lane and did not offer a final response. PRETTYWITTYANDWISE squeezed back at the start, settled outside of rivals to the turn, went four wide into the bend, was outrun to upper stretch and trailed the rest of the way. This race had a timing discrepancy or malfunction, and it was re-timed using video technology to obtain the most accurate final time available. Internal fractions have been removed and are not available.
