DOC'S LUV had a hustling early ride three deep when the gate opened up to seize control by the half, cleared off getting to the rail by the three eighths marker, had company outside when headed by two runners at the quarter pole, inched away again when asked for more two wide at the top of the lane and under a busy ride just prevailed at the wire in a tight finish. LADY ON THE NILE was away alertly having her head in front in the early going, surrendered the lead by the half mile marker, sat poised on the fence behind the pacesetter throughout the turn, was looking for running room deciding which path, either inside or outside to go in upper stretch, opted for the fence darting inside the winner with a furlong remaining and just missed timing the nod for the win at the wire in a photo. BUTTERFLY BILLIE had a slow start while veering out on the break trailing down the back straight, moved up throughout the bend closing the gap sharply two wide at the quarter pole, loomed boldly widest in the six path at the top of the lane but stalled into the stretch headwind by the furlong pole to be a non-threatening third when crossing the finish line. RELOAD BABA was in the mix with runners on either side up front after the break, tracked the lead duo when entering the turn, was forced to move closer between rivals with the outside runner making a rally in midturn, fought on in the hunt four wide at the top of the lane but faded in the final eighth of a mile. MISCHIEVOUS MYRA had a sluggish start stalking near the rear ahead of only the other poor starter in the beginning, made any early bid sensing the soft early pace to duel three wide outside two others at the five sixteenths pole, battled up top in the five path between horses turning for home, could not sustain the rally and wilted by the furlong marker.
