VEGAS ROAD broke sharp for the early lead, was then reined in to track the leader with a half mile still to run, took closer order between foes to make a bid in the two path at the five sixteenths pole, had a head in front with challengers on each side turning for home, stubbornly battled to the wire and prevailed in a close finish in the end. MISS SOOTHSAYER was bumped by the inside foe on the start, settled outside of runners in mid-pack travelling down the backside, sat isolated at the five sixteenths pole starting to move in on the embattled trio, shifted four wide off the dueling threesome for clear run at the top of the stretch and had a solid late surge but just could not get to the winner in time. MONEY HEIST was under a good hold going three deep being part of the front group down the backstretch, inched up three wide making his presence felt on the inside two rivals by midturn, loomed boldly in the three path at the top of the lane but needed more in the late running unable to match strides with the top two in deep stretch. LADY BIA was away sluggishly trailing the field along the backside, lagged well behind the pack entering the turn, started to make a rally picking up an inside rival at the quarter marker and finished up with good late energy for a minor award in the end. TWIST OF SUGAR broke a step slow leaving the gate, recovered quickly to have the advantage on the rail by the half, was headed midway around the oval, fought on stubbornly on the fence until the furlong pole and weakened in the final sixteenth just getting caught at the wire for a minor share. SEEKING MAGIC broke outwards at the start, stalked near the rear inside foes along the back straight, regressed through the turn to see the field with a quarter mile remaining and had little to offer in the stretch drive.
