LORRAINE'S BEAUTY was patiently handled sitting just off the early leader poised to make a move, continued outside to hound the frontrunner through the turn, pounced three wide at the top of the lane, grinded away fighting on the outside at the furlong marker and prevailed in the stretch duel edging away for the win in the late going. TOP OF D MOUNTAIN kept a close eye on the lead duo while sitting on the fence down the backside, chased the embattled twosome on the turn making little gain, shifted to the four path for the drive finding her best stride late and closed in with seventy yards to go getting up for the runners up share. CALL ME KAYKAY had the lead outside rivals trying to get to the rail early on, cleared off getting to the fence up top by the half under a snug hold, was nursed along on the engine in the turn while hounded outside by the winner with five sixteenths remaining, held a slim advantage inside at the top of the lane, battled on stubbornly until the sixteenth pole but needed more when giving way for the top spot in deep stretch. BEACH CRICKET shared the rear while inside another with a half mile still to run, advanced mildly just off the rail throughout the turn, moved out to the six path at the top of the lane and finished up well enough to be a fringe player in the end. BERMUDA BREW co-trailed on the outside at the half, offered a brief turn of foot circling four wide around horses at the five sixteenths pole, swung out widest in the eight path for the stretch drive and could only pass a tiring runner while on the inside in the late going. BERTHA settled in midpack outside another in the four path along the backside, improved slightly when roused at the three furlong pole, shifted seven wide between foes at the top of the lane but faded in the final eighth of a mile. RELOAD BABA had a stalking trip near the rear ahead of a couple of rivals down the backside, came under a ride on the fence but could not keep up to the pack, hugged the rail turning for home but failed to menace in the drive to the wire. BLUE'S MOMMY had the rail in the middle of the pack with a half still to run, had the fence dropping back to last on the turn by the three furlong pole and could not be a factor in the stretch running.
