FRAC IS THE JUDGE broke a step slow to see the field in the beginning, advanced between runners down the backside to sit in midfield by the half, had a good spot isolated, measuring the engaged duo at the three eighths pole, shifted out in midturn, loomed boldly three wide on the outside of the leader at the top of the stretch and drove by sharply at the furlong marker to cruise home for the win at the finish line. NO MISTAKE had the rail while sitting in the middle of the pack at the half mile marker, was shuffled back a touch on the fence three furlongs out, regained momentum saving ground midturn, shifted out at the quarter pole coming with a good rally to be in the hunt four wide straightening out for home and finished up well enough, unable to get to the overpowering winner but easily besting the rest at the wire for the runners up share. CAPTAIN CLUTCH was under a snug hold contently shadowing the pacesetter on the outside, pulled the rider to the lead midway on the turn, was headed on the outside in the two path at the top of the stretch, offered little resistance when the winner powering past by the furlong marker and faded in the late going while lasting for a clear but distant third. SEEKING MAGIC was bumped on the inside being pushed out to see the field travelling down the backstretch, began to pick up the bit three wide outside of horses passing runners at the quarter marker, moved to the four path turning for home and ran on willingly for a minor placing with the field spread out at the finish line. GIRL'S NITE OUT was away alertly getting the rail and the lead along the back straight, maintained a slim advantage on the fence three eighths out, surrendered the front with five sixteenths to go coming under a ride, backed away by the quarter pole and was empty skimming the rail in upper stretch. EDEY'S VILLAGE broke outwards on the start, travelled three deep in the mix up top in the beginning, was reined back to be outside two others in mid-division with a half mile remaining, dropped back between rivals going two wide midpoint of the oval and could not be a factor in the stretch drive.
