Ch. f, (May), by Practical Joke – Diametric, by Munnings. Trainer Carroll Josie. Bred by Mark Dodson (Ont–C).

LUDICROUS tracked on the rail well held down the backside, was nudged on coming up to the half shifting out to get better position into the turn keeping a close eye on the frontrunner, travelled in the two path measuring the pacesetter on the turn, pounced our wide with a slight move of the riders hands in upperstretch and powered away at the furlong pole to win going away. MATHEMATICAL stalked ahead of only one runner down the back straight, progressed smartly around the turn saving all the ground while well within herself, angled out to the five path posing the main threat in upper stretch but was no match for the winner in the final furlong. LADY ON A MISSION cleared from the outer post to up top on the rail by the five-eighths pole, rolled along unchallenged around the bend, was collared outside by the winner offering little resistance and faded slightly in the late going to be a clear third in the end. I'VE GOT THE HONEY moved three deep outside of horses watching the lone pacesetter, ran on evenly under a ride going three wide around foes on the turn, swung out widest in the six path turning for home and had late interest to win the battle outside for the minors. KINZIE GIRL was allowed to settle at the back of the pack in the early stages, made a mild rally passing an outside foe at the quarter pole, shifted four wide for the stretch run but could not win the battle for the minors inside another at the finish line. LAINEY had a tracking role between runners early on, retreated with horses on each side unable to keep up on the turn at the three eighths pole and showed little just off the fence in the stretch running.
