SHIFTY moved smoothly on the rail to have the inside advantage into the backstretch, rolled along unopposed controlling the pace throughout the turn, increased the advantage only under a hand ride at the top of the lane and was tapped a couple of times by the rider just to interested well ahead of any challengers in the late going to win effortlessly when crossing the finish line. AMERICAN WOMEN was allowed to settle at the tail end down the backstretch, sat poised still at the rear under a good hold waiting for the cue to move midway around the bend, split foes bursting through runners four wide at the top of the lane, could not threaten the winner who had it all to herself in the race but did finish up with a good late outside charge for the runners up placing. UPHILL DANCE had a good spot on the fence drafting behind the frontrunner, was roused for more on the rail to go after the winner by midturn but offering little response, duelled for the secondary share on the rail down the lane but had to settle for a being clear third, securing the show money at the finish line. BOURBON MEMORY tracked the lone speed on the outside, chased in vain urged between foes around the bend making no gain, moved to the three path for the stretch run but faded in the final furlong for a minor share. ORDEROFTHEPHOENIX (IRE) settled in the middle of the pack three deep outside of rivals, kept pace while three wide outside two others in the second flight around the turn with the winner controlling things up top, swung out widest in the six path turning for home but came up empty in the drive.
