MINIMUM FORTY was away alerting having the lead inside, controlled the pace but only by a slim margin with the rider sitting chilly slowing the tempo up top around the bend, spurted away with a slight move from the jockey's hands at the top of the stretch, stayed on the incorrect lead to the wire but pulled away easily from his competitors winning under only a hand ride. WOZNIACKI prompted the issue with runners on either side early on, was gathered in having a nice trip watching the engaged duo at the half, settled of the rail waiting for the cue to move throughout the turn, rallied on the inside for the runners up share in deep stretch albeit a distant second behind the dominant winner. MOBULA was forwardly positioned prompting the pace three deep, closed in to battle outside for the top spot at the half, threw it down forcing the pace outside around the turn, was no match for the winner who had plenty in reserve by mid-stretch and finished up well enough just getting nabbed late inside for the place share while easily holding for the show money at the wire. REACH FOR THE TOP was forced out by the inside rival on the start, shared the back end outside a runner with a half mile still to go, was hard ridden advancing four wide around foes midway on the oval, swung out widest in the five-path turning for home but ran on only one paced capturing a minor placing in the end. ARIANNA'S TOUR broke out on the break, sat all alone in midfield down the backside, made some headway three wide between horses in the turn running but needed more in the final furlong to be a factor in the late going. MRS. C had a slow start to be at the rear leaving the gate, improved to co-trail inside another while in range of the leader by the half, closed the gap but remained at the back of the pack in midturn and failed to offer a finishing kick just off the fence in the stretch drive.
