NO MORE OPTIONS had a slim lead on the rail, continued up top running evenly down the backside inside of rivals, took the short way around the last bend holding off a host outside foes who were turning up the pressure, drifted out to the four path still clinging onto the front end and stubbornly never gave in to the finish line prevailing in the end for the wire to wire tally. EL COHETE had the rail watching the lead trio contest the pace, sat poised waiting behind the lead group of three around the last turn, shifted off their cover three wide at the quarter pole making a move, loomed six wide at the top of the stretch, kept plugging away outside gradually gaining with every stride down the lane but could not get to the winner in time. EVER DANGEROUS was forwardly placed in the fray up front going three wide in the first bend, kept a close eye outside on the pacesetter while three deep along the back straight, ranged up three wide making his presence felt even more on the far turn, shifted to the five path in the thick of things straightening out for home but needed more late when fading in deep stretch to be a clear third at the finish line. KING D'ORO stalked near the rear between horses, started to make a run bursting between rivals three wide at the quarter pole, darted inside from the five path in upper stretch to be two wide coming on at the furlong pole and got his nose down right at the finish line to settle on the fringes in the end. WHISKEY N SODA was close to the back of the pack inside, saved ground picking up the bit at the quarter pole, had a good rally showing late energy up the fence in the stretch run but was nosed out by the inside rival for a minor award. PALACE VIEW (IRE) was in the second flight going three wide on the first bend, made little headway three deep down the backside, tried to narrow the margin three wide on the final turn on the lead threesome while outside another, angled out with a chance in the seven path for a piece of the prize but evened out in the last sixteenth of a mile. SHERIF ALI was at the rear going into the first bend, still remained at the back end but was well in range at the half, was stuck behind a wall of runners three wide at the quarter pole, shifted to the six path turning for home but could only pass tired inside runners in the drive to the wire. NIIGON'S LAW was part of the group arguing up top between runners on the first turn, continued to battle for the lead with rivals on either side around the final oval, shifted to the three path in the mix at the top of the stretch had little left for the late running and yielded to others by the furlong pole. DON IQUE settled in midfield between runners for the first half of this route race, still showed no rally with runners on each side running around the far turn and wilted in the two path in upper stretch. NOBURU travelled three to four wide on the first of two turns sitting near the rear outside runners, made little movement along the backside, could not make up any ground still having to go three to four wide on the second turn as well and gave way in the seven path when turning for home.
