Ch. g, (Feb), by Lookin At Lucky – Mizzen Out , by Mizzen Mast . Trainer Wright Michael Jr. Bred by George Krikorian (Ky).

I LUCKED OUT was loose on the lead around the initial bend, continued to be unchallenged down the backside, opened up moving well in hand by the quarter pole to have a commanding lead turning for home but had to be kept busy by the rider in the late going with the runner up coming quick on the outside in deep stretch and just lasted at the wire for the frontrunning score. COMPTON stalked close to the back with runners on either side in the first half of this two turn race, was the only one making a rally coming with a strong move in the three path at the five sixteenths pole, shifted to the five path being the only one who had a chance at the winner turning for home and was gaining steadily throughout the drive to the wire making it a horse race late but just missed getting there outside at the finish line. SUNRISE DRIVE had good position watching the lead two runners in the beginning, was part of the chasing pack between rivals in the three path along the back straight, was asked for more left handed by the jockey fighting for then the place share at the quarter pole, kept plodding along down the stretch with the lead duo having it to themselves in the final furlong and held on for the show money at the finish line. ADAPTED had the fence near the rear, improved inside of runners by the half, lacked clear running room behind rivals from the three-furlong pole until the quarter marker and ran on mildly between rivals three wide in the stretch drive capturing a minor share in the end. CHANCEL settled three wide in midfield, continued in mid-pack while four deep along the back straight, could not get into gear four wide throughout the final bend and remained one paced unable to get involved in the stretch drive. C C'S KINGDOM travelled four wide around horses at the back of the pack, remained outside three deep part of the back trio down the backside, tried to circle runners again going four wide but to no avail on the last turn and came up empty at the top of the lane. MASTER SPY broke out on the start, tracked the pacesetter outside in the beginning, was hard ridden taking the short way around on the last turn but was retreating inside of runners at the quarter pole and folded up on the fence in upper stretch.
