SPEEDY FREEZE settled on the inside sitting in mid-pack, was roused picking up the bit just off the fence by midturn, shifted out four wide in full flight at the top of the lane and powered past the front three rivals one by one to edge clear for the late running win at the finish line. FOURFIFTYFOUR had a good spot on the rail watching the engaged duo down the backside, still sat poised taking the short way around the turn behind the lead pair waiting for the cue to move, scraped paint in the thick of things coming on straightening out for the drive, got the lead for a stride or two inside leaving the sixteenth pole but could not find another gear late and was unable to fend off the winners charge outside in deep stretch. DOLCE FORTUNA was under a tight hold having a slim lead inside down the backstretch, continued up top by a narrow advantage around the bend, shifted to the two path in upper stretch, maintained a slight lead with rivals bearing down on both sides at the furlong marker and was outkicked between horses in deep stretch to hold for the show money at the wire. I GOT MURPHED hounded the pacesetter on the outside along the back straight, continued to shadow the frontrunner still outside throughout the oval, angled to the three path in the hunt between runners in upper stretch but idled in the final eighth of a mile and settled on the fringes in the end. MIRAMICHI tossed her head on the break sharing the rear inside along with the other troubled starter, had to be throttled down coming up to horses at the half,, waited for running room two wide around the bend, made a brief rally at the quarter pole but could only finish up one paced in the three path for the stretch run never getting into contention in the late going. SUPER SICILY leapt up at the start to co–trail at the back end on the outside, tried to make a four wide circling move but with little progress under a vigorous ride around the turn and lacked a rally, widest in the five path in the stretch running. RARIFIED (IRE) travelled on the outside in midfield, was scrubbed on for more at the five sixteenths pole but had littler response when retreating between horses seeing the field at the quarter marker and could not play a factor in the drive to the finish line.
