TREVALLY broke inwards a touch on the start, made a savvy move getting to the rail watching the lone speed in the early going, travelled in the second flight inside keeping a close eye on the engaged duo down the backside, was nudged for more two wide to go after the leaders offering little gain by the quarter pole, rallied on the fence at the head of the lane under strong left handed encouragement, poked his head in front between horses at the sixteenth pole and held safe while drifting out slightly at the finish line for the win. FUN FELLA had a stalking trip ahead of only a couple runners for the first half of this route race, started to pick up the bit four wide circling around horses midway on the last turn, swung out widest gathering more momentum six wide straightening out for home and had a strong late surge outside rivals but just could not get to the winner in time. SILVER RALEIGH was forwardly placed outside the eventual winner tracking the leader, rallied smartly when called upon for more three wide at the quarter pole to loom boldly in the four-path turning for home, finished up willingly between the leaders in the final furlong but could not threaten in deep stretch for the win and settled for a clear third at the finish line. SOUTHERN STYLE was brushed by the outside foe on the start, settled on the rail in mid-division on the first of two turns, could not gain along the back straightaway, started to reach for more ground with runners on both sides at the quarter pole, shifted to the three path for the drive to the finish line and ran on with good late energy just off the fence in the last eighth to get up at the wire to be a fringe player. CONNOR utilized the inside position having the lead inside in the beginning, slowed the tempo down while having company outside down the backstretch at the half, dueled inside throughout the last turn, spurted away disposing of the early speed foe two wide in upper stretch, was still holding on at the furlong pole but needed more late when weakening inside of runners in the final seventy yards losing a minor share right at the wire. BALBONI'S CREW had a stalking role on the fence, settled in the third tier on the rail along the backside making little movement, came under a ride taking the shortest path on the last turn but offered no response and lacked a rally on the rail in the final furlong. CATEGORY FIVE tracked the pacesetter on the outside, moved in to shadow the frontrunner still on the outside at the half, battled with the leader who had the rail throughout the last turn, gave way fighting up front three wide in upper stretch and wilted between horses at the furlong pole. LOUIS THE CHAMP was hustled early on trying to get better position between runners sitting in mid-pack in the beginning, made little change along the backside, closed the gap while three wide inside another foe on the final bend at the quarter marker, moved out four wide at the top of the stretch but failed to fire in the final furlong. STARVIN broke out but was quickly corrected by the rider, was allowed to settle at the back of the pack in the early stages, passed an inside runner at the half, narrowed the margin through the far turn two wide at the quarter pole, shifted to the four path turning for home, angled out further in the six path with a furlong to go but could only manage to catch one rival in the late going. LOST STAR advanced around rivals on the first turn going three to four wide, settled in midfield outside foes three deep down the backstretch, was under a drive but could only manage to hold position while three to four wide as well on the second bend and folded in the five path by the furlong marker. ALLBETSAREOFF was near the rear ahead of only one runner in the beginning, dropped back at the half seeing the field, lost touch with the pack by the five sixteenths pole, cantered through the lane well back when crossing the wire and walked home.
