B. m, (Mar), by Silent Name–Jpn – Hurricane Lorraine , by Weather Warning . Trainer Wright Michael Jr. Bred by Bru–Mel Stables Co (Ont–C).

HURRICANE CLAIR had the early advantage on the fence around the initial bend, was unfazed giving up the front end slowing the pace down at the nine sixteenths pole, shifted outside at the half, was kept busy in pursuit through the final turn, shifted out in the three path chipping away at the pacesetter, never gave in down the lane and wore down the leader outside with seventy yards from home to edge away for the win under a very savvy ride. DESIGN settled near the rear on the fence for the first half of this two-turn race, moved well closing in two wide at the five sixteenths pole, shifted out three wide at the two-furlong pole with numerous runners getting in tight quarters bunching up, angled to the rail in upper stretch and rallied smartly in the two path to get up for the place share right at the wire. TAKEMETOTHEBEACH contently tracked the frontrunner on the outside early on, seized command outside midway down the backstretch, opened up at the half, rolled along unopposed throughout the last turn, had control on the rail in upper stretch but was caught by the resurging winner outside with seventy yards from the line and then was nabbed outside right at the wire for the runners up position as well. ELYSIAN FIELD had the rail position sitting in midfield, improved inside of rivals at the half, moved up closer on the fence midway around the far turn, shifted out at the quarter pole but had little for the stretch run and evened out in the two path in the final furlong. WAR PAINTER had a stalking role ahead of a couple of runners, started to make a move three wide when scrubbed on edging up midway along the far turn, shifted out widest in the six path straightening out for the drive but stalled in the final furlong. SCAT GIRL tossed her head to be at the rear leaving the gate, continued to do so still under the wire for the first time with a circuit remaining, lagged behind the group down the backside as well as around the second turn, shifted just off the fence for the drive to the wire but could not get involved. NO TIME had a good spot watching the lead pair, kept pace under a ride on the last turn but was in tight three to four wide between and behind horses at the quarter pole unable to maneuver, clipped heels stumbling, almost unseating the rider losing the irons in the process and could not recover after the fact. STEWARDS INQUIRY AT THE QUARTER POLE INVOLVING .1 DESIGN, .2 ELYSIAN FIELDS AND .3 NO TIME RESULTED IN NO CHANGE
