B. c, (Mar), by Souper Speedy – Bear's Kitty Kitty , by Rockport Harbor . Trainer Tharrenos William. Bred by John Carey (Ont–C).

SOUPER SURVIVOR broke inwards and slowly at the start, then, was hustled bursting between runners to have the lead midway down the backside, rolled along being ridden on increasing the advantage smartly on the turn, widened even further just off the rail straightening out for the drive and ran up the score when crossing the finish line many ahead of his closest competitors. LONGSHOT LEO broke out bobbling on the start, pressed the early pace on the inside of two others, chased the winner in vain on the turn with the winner slipping away with a quarter mile from home but still kept on trying down the lane easily beating the rest for the runners up share unable to threaten the dominant winner in the drive. TOO FAB FOR YOU broke inwards on the start, tracked the front three runners while positioned on the fence early on, made little headway on the front trio while separating from the back-end runners in midturn, started to lengthen stride urged left-handed at the quarter pole and finished up with intent to be a clear third while well behind the front two runners at the wire. GOLD DRAGON was brushed on the outside at the start, had no early foot trailing down the backstretch, lagged behind on the oval, started to come with a bit of the run passing an outside rival at the quarter pole and showed a little interest in the drive to the wire in the three path to garner a minor award with the field very strung out at the finish line. MR BOND veered out on the start, prompted the pace three deep down the backside, was under a ride trying to keep up to the winner while outside another around the bend, gave way used up four wide in upper stretch and shortened stride tiring down the lane. FRIDAY'S GRACE was roused settling back off the lead trio along the backstretch on the outside, retreated two wide throughout the turn, moved to the four-path turning for home and came up empty in the stretch running.
