AMAZIN QUEEN had a stalking trip ahead of only one runner in the early stages, closed the gap at the half, started to make a run moving up of the fence by the quarter pole, scraped paint reaching for more ground turning for home and surged inside the pacesetter in the final furlong to edge away for the win crossing the finish line. MOVENTOTHECOUNTRY controlled a tepid pace just off the rail in the early going, narrowly maintained control inside down the backstretch, scooted away disposing of the early pace rival by the five sixteenths pole, still was holding on in the three path midway down the stretch but could not find more late and was unable to repel the winners charge inside in the final seventy yards. MAKAYLA had a good spot nestled on the rail drafting behind the leader, rated kindly on the fence watching the engaged duo along the backside, rallied on the rail on the far turn, shifted out coming with a run at the quarter pole to be in the hunt three wide straightening out for home, was no match for the top duo in the final furlong but still ran on well enough to be a clear third at the finish line. BEAUTIFUL SKY broke a touch slow on the start, trailed the field on the first turn, remained in last with the field tightly compacted at the half mile marker, took the short way on the final bend making little headway, skimmed the fence passing an outside foe turning for home and had good late interest up the rail to settle on the fringes. THATSITTHATSALL settled in mid-division for the first part of this two-turn race, offered a good rally three wide circling around foes on the far turn, angled to the five path for the drive to the wire but had no finishing kick to offer in the late going. SIGHT TO SEE broke a touch slow on the start, tracked the leader three wide on the outside in the first turn, took closer order flanking the frontrunner outside down the back straightaway, was roused but could not keep up to rivals when being passed by foes on both sides midway through the final turn and emptied out in the four path at the top of the lane.
