ROSIEPOSIE was away alertly getting to the rail easily setting the pace all alone down the backstretch, rolled along unchallenged under an even tempo through the turn, had company bearing down outside midway down the lane and was kept to the task in the late going to hold comfortably in the end for the front running score. MIGHT BEE TROUBLE stalked near the rear having the fence, trailed the group running on the rail throughout the oval, cut the corner scraping paint turning for home uncorking a rally and closed in belatedly inside of horses to best the rest for the runners up share at the finish line. GIZMO'S B F F had the rail tracking the pacesetter along the back straight, had to be checked getting shuffled back in tight with outside foes angling inwards heading into the turn, shifted out three wide at the quarter pole getting back into stride and ran on willingly in the final furlong being a clear third while getting outkicked late for the second place position inside. BLAZING SKY lacked early foot seeing the field while situated just off the fence along the backside, offered a brief spurt improving three wide around runners at the three furlong pole, swung out widest in the six path at the head of the lane, could only finish up one paced in the drive but did manage to nab an inside foe just before the wire to get the nod settling on the fringes in the end. WORLD SHOWCASE settled between runners in the second flight well in range of the leader, tracked the front runner following her path saving all the ground around the bend, shifted to the four path at the top of the stretch but lacked a rally through the lane just getting caught late losing out on a minor share. FOUNDER'S DAY travelled three deep keeping a close eye outside on the lone speed, chased the pacesetter on the turn inching up by the quarter pole, moved in outside two wide bidding for the front end at the furlong marker, took an awkward step unseating the rider coming up to the sixteenth pole and left via equine ambulance.
