CRUMLIN TROUBLE was away alertly loose on the engine moving comfortably when crossing over to the rail when entering the backstretch, quickened the tempo having company outside forcing the pace in the turn at the three furlong marker, opened up smartly when called upon skimming the fence taking the corner and was kept to the tasking winning handily at the finish line for the front running score. MOVENTOTHECOUNTRY was away slowly on the break, recovered by the time they entered the backstretch tracking the inside frontrunner between rivals, moved in to press the leader outside up front at the three eighths pole, could not match strides with the winner in the three path by the head of the lane and chased the winner home still besting the rest for the secondary share at the finish line. STERLING HEIGHTS travelled three deep in the middle of the pack, came under a busy ride three wide holding position keeping pace through the oval, angled out four wide at the top of the stretch and finished up willingly trying to close in late for second while holding for the show money when crossing the finish line. LADY MOONSHINE was on the outside keeping a close eye on the pacesetter, could not quicken at the five sixteenths pole with the lead duo getting away on the turn, shifted to the three path in the mix for a small share in mid-stretch and ran only mildly losing the duel for third in the late going. POETIC AMY shared the rear on the outside in the early going, lagged behind the pack at the half mile pole, travelled three wide on the bend catching up to an inside rival at the quarter marker, had the four path at the top of the lane but could not factor, showing little rally in the stretch run in the final furlong. SPEAK UP co-trailed on the inside of another down the backstretch, improved slightly by the half, had little to offer travelling just off the fence around the oval relegated to the rear with a quarter mile from the wire and could not get into contention unable to offer a finishing kick in the stretch drive inside of horses.
