TWISTING PISTONS had an ideal trip rating smartly on the fence drafting behind the leader throughout, shifted outside off the pacesetter at the head of the lane, pounced three wide with a furlong to go and drove past a stubborn frontrunner in deep stretch for the win. COLLECT DATTT was brushed on the outside on the start, recovered to be loose on the lead in the first turn on the fence, got a breather up top unchallenged down the backside, continued to roll along with no pressure applied by rivals on the last turn, had something left just off the fence for the drive kicking away briefly at the furlong marker but could not hold off the winner late grudgingly giving way inside for the win in deep stretch. MY GIRL SKY broke inwards, shared the rear inside on the rail in the early stages, was roused taking the short way around the final bend coming on at the quarter pole, stayed inside at the top of the lane and finished up willingly on the rail in the final furlong getting the show money albeit well back of the front two who had it to themselves late. MAGIC MODIE was content to sit outside keeping a close eye on the leader, was scrubbed for more going after the pacesetter midway around the last bend, shifted to the four-path unable to keep up to the inside contesting duo in upper stretch and finished up one paced between runners in the last eighth settling for only a minor share in the end. MRS. HOT SHOT had the rail sitting midfield early on, had to be checked coming up on heels midway thru the initial bend, settled into stride between horses in the third flight stalking down the backside, edged up in hand two wide at the five sixteenths pole to have a chance shifting to the five path for a share at the top of the stretch but flattened out in the final furlong. PICKFORD SWEET tossed her head at the break, settle on the outside in the middle of the pack, made little movement travelling three deep along the backside, was under a drive three wide on the far turn but could not gain on rivals, swung out to the six-path turning for home but failed to fire in the stretch running. BRAVO KATE was unhurried co-trailing on the outside, lagged behind the group unable to get into gear down the backside, was asked for more but could not get inspired in the running around the final bend and galloped down the lane never getting involved in the race.
