Ch. g, (May), by Reload – Midseason Form , by Tapit . Trainer Barrow L Rodney. Bred by Mary Elizabeth Cox & Northern Dawn Stables Inc (Ont–C).

RELOADED FORM broke inwards on the start, travelled three wide near the rear outside in the first of two turns, edged up three deep down the backside, ranged up on the secondary bend, had a sharp turn of foot at the quarter pole to loom boldly outside in the four-path turning for home and drove by at the sixteenth pole and held on at the wire from the late closing outside runner. CASTLE HARBOUR had the rail sitting in midfield in the early stages, was scrubbed on for more midway through the far turn two wide chasing the lead duo while the eventual winner was outside commencing a rally as well, lacked a lane in the three path behind rivals at the top of the stretch, shifted out getting clear run finally five wide at the furlong pole, did not switch leads throughout the stretch drive but still kept comong on in the late stages but could not get to the winner in time at the finish line. GLORIOUS REVENGE had the lead on the fence using the inside advantage around the first turn, continued up top narrowly inside down the backstretch, dueled on the rail with an outside rival throughout the far turn coming under a ride at the five sixteenths pole just to stay up top, countered briefly regaining control taking the corner for the stretch run, could not find more in reserve late and faded inside of horses with a sixteenth left to run just lasting at the wire for the show honors. CARRICK ON STAGE bobbled then was jostled between runners on the break trailing in the early going, closed the gap on the rail down the backside by the half, improved inside of runners at the three-furlong marker, scraped paint in the mix at the head of the lane, had the two-path caught behind horses lacking running room, finally got clear with just a sixteenth remaining and had a good late surge coming to the finish line to almost get up for the show award in the end. HIGH BEAM was under a snug hold pressing the pace outside, relaxed smartly flanking the leader outside down the backstretch, moved in while still in hand to bid outside at the five sixteenths pole, got a head in front briefly with a quarter mile to run, dueled between horses in upper stretch but could not find more late and wilted between foes at the furlong marker. BACK STREET DRIVER settled on the outside of another in mid-pack, retreated three wide into the last bend when unable to quicken with the two inside rivals who were starting to make a run at the three eighths pole and emptied out by upper stretch.
