READY TO COLLECT pressed the pace on the rail under a good hold early on, darted up the fence taking over control by the quarter pole getting a head in front still well in hand, moved out two wide having lots left increasing the advantage by the furlong marker and comfortably cruised in for the score in deep stretch. BREEZERO had the rail position keeping tabs on the contesting duo down the backstretch, rallied with a sharp turn of foot on the fence lengthening strides smartly midway around the bend, shifted out to the two path posing the main threat in upper stretch but could only chase the winner home in vain while besting the rest for the secondary share. GAROFOLI had a neck in front on the outside down the backstretch, had no answer two wide between foes unable to match strides when the winner surged up the rail seizing command at the quarter pole, shifted to the three path at the head of the lane, kept fighting on for a share through the drive and finished up willingly being a clear third while just getting out battled late inside for the place award. URBAN LEGEND was on the outside in mid-pack while going four deep, came under a ride three wide at the three eighths pole but could not keep up to the lead trio through the turn, angled out to the four path in upper stretch and finished up evenly to be a fringe player well back of the front three when crossing the finish line. YODDHA had the three path between rivals while sitting in midfield, offered a brief run circling around horses three wide while in the conversation arguing for the lead midway around the turn, moved out widest in the five path giving way fighting on the front end at the top of the stretch and faded even further having little left in reserve in the final furlong. INDY ONE settled in midfield with runners on both sides down the backstretch, dropped back unable to quicken with outside foes who were commencing a rally at the seven sixteenths marker, had little to offer two wide going around the turn, hugged the rail taking the corner, failed to menace in the stretch run and was checked coming up inside another nearing the wire. SILENT RESERVE was void of early foot seeing the field while travelling just off the fence down the backside, made little impact running three wide around the oval, moved out to the four path for the stretch drive but could not get involved.
