GONE WITH DUWYN emerged from the pack assuming command leaving the chute setting a soft pace early on, rolled along unopposed at the half, moved strongly opening up from his closest perusers through the turn and under a well rationed out ride had plenty left in the tank winning easily when crossing the finish line for the gate to wire score. GLASWEIGIAN had runners on either side in the second flight behind the frontrunner down the backstretch, continued on between foes chasing determinedly but making little progression on the frontrunner on the turn, kept on trying through the stretch but the winner just had too much by the furlong marker and still finished up gamely between foes in the late going securing the runners up share. TWENTYTWO SOLES had the rail position keeping a close eye on the leader with two outside rivals as well, took the shortest route around the turn but could not close the gap on the pacesetter around the oval, battled inside for the place share with a furlong to go with the winner long gone and was just outkicked outside in the late going taking the show money instead at the finish line. NEXT PITCH had only one runner beaten down the backside who happened to be the troubled starter, stalked a round the turn but could not make up any ground through the bend, swung out widest in the five-path turning for home and finished up with good interest trying to get up late for the place or show award in deep stretch but just coming up short settling on the fringes instead at the wire. SUMMON YOUR COURAGE sat outside off two others watching the lone speed down the back straight, continued three wide with a couple of inside foes trying to close the gap on the leader but in vain around the bend and could not find more down the lane yielding in the four path by mid-stretch. LEAN MUSIC MACHINE broke a step slowly seeing the field along the backside, lagged well behind the pack in the turn running and could not get involved in the stretch drive.
