Dk. b or br. f, (Mar), by Gamble's Exchange – Golden Vision , by Court Vision. Trainer Attard Tino. Bred by Elizabeth Lickrish & Gordon M Lickrish (Ont–C).

PRINCESS ORLAITH was away slowly spotting the field many lengths along the backside, continued to lag behind in mid turn, had a full head of steam circling three wide around a couple of rivals at the quarter pole, gathered more speed in the five path but was drifting in even though under left handed encouragement in upper stretch, had a strong late charge albeit the frontrunner was weakening quite a bit in the final sixteenth of a mile and got up a few strides before the wire for the impressive late closing score nevertheless. HAVE RESPECT scampered away easily clearing off getting to the rail to have a commanding advantage by the half setting a rapid pace, rolled along well up top unchallenged through the turn, continued to play catch me if you can still on top comfortably in mid-stretch, began to shorten stride while never switching leads by the sixteenth pole and ran out of gas being caught late by the winner while just lasted from an inside foe for the runners up share at the wire. SWIFTY KIM stalked near the rear in tandem with an outside foe ahead of only the poor starting eventual winner down the backstretch, saved all the ground but could not improve travelling around the oval, shifted to the two path turning for home and finished up willingly on the fence in the final furlong to be a clear third almost getting up late inside for the place share as well. KUZ I'M CHARMING stumbled on the break, had an outside stalking role paired up with another down the back straight, travelled two wide but could not get into another gear when called upon midway around the turn, angled out to the four path at the rear straightening for home and managed to pass a couple of weary inside runners in the final furlong to settle on the fringes in the end. MY ANGEL NICOLE was well back in the second spot content to let the pacesetter who was on a mission go on with it dictating a brisk early tempo down the back straight, gave futile chase unable to make any gains on the leader around the bend and had little left to offer when wilting between horses in the two path coming up to the sixteenth pole. LOVELY RAINBOW was isolated watching the lead front two runners down the backstretch with the small field quite strung out by the half, was asked to go after the top two rivals at the five sixteenths pole but to no avail through the turn running, shifted to the three path for the stretch drive but came up empty by the furlong pole.
