ARMADA RISING (IRE) assumed command getting to the rail setting a leisurely pace up front on the initial bend, still controlled a soft tempo unopposed along the back straight, moved well in hand with the closest pursuers unable to threaten midway around the far turn and under a well rated ride had plenty left for the stretch run winning easily proving much the best comfortably ahead of the others at the finish line. THATSITTHATSALL settled between foes in mid-pack on the first turn, made little progression having the rail down the backstretch at the four furlong marker, started to make a rally when nudged on the fence at the quarter pole, shaved the corner at the top of the stretch, angled out to the four path bumping a rival in the process of trying to get a clear lane and found her best stride late unable to get to the overpowering winner in the final furlong but holding for second best inside at the finish line. SERENADING AMAYA settled at the back end just off the rail in the beginning, shared the rear outside another along the backstretch at the half mile marker, started to come with a good turn of foot inside a couple of runners at the quarter pole, veered out pushing her way through in the five path at the top of the stretch, drifted out again making contact with the outside foe coming up to the eighth pole full of run and closed in strongly to be a clear third while just missing outside at the wire for the place award as well. MAKAYLA was all alone contently sitting behind the pacesetter, came under a drive but gave futile chase to the front running winner on the last turn by the quarter pole and faded inside of horses in the final furlong to hold on for a minor share in the end. MOVENTO THE COUNTRY had the rail sitting in midfield on the first bend, dropped back to co-trail on the outside at the half mile marker, offered a mild run three wide outside foes at the quarter pole, was forced out widest in the seven path straightening out for the drive and finished up gradually through the lane but could not get involved late. MAXINE MAGIC stalked close to the back but had the be checked slightly two wide between runners at the midpoint of the first turn, made an early move closing in sharply four deep down the backside with a half mile remaining, continued the long sustained run three wide on the last turn still improving on the outside, shifted to the five path being brushed inside by a rival nearing the furlong pole and weakened in the late stages. THAT GIRL ARTEMUS was forwardly placed inside another tracking the front two runners for the first half of this two turn event, travelled two wide still keeping pace with the leader around the final bend, was bumped and jostled between horses in mid-stretch losing its momentum and gave way thereafter. BEAUTIFUL SKY travelled three wide on the first turn keeping a close eye on the lead two runners in the early stages, could not quicken with others while between horses at the five sixteenths pole, was pushed out by an inside rival going six wide at the head of the lane then was bumped again by the same runner coming up to the furlong marker and could not recover in the late going to be a factor in deep stretch. LADIES RUM was fractious behind the gate prior to the start unseating the rider, dwelt trailing the field under the wire for the first time, improved slightly around horses while going three wide on the first turn, made little movement along the backside, retreated through the field on the second bend to be last by the quarter pole and emptied out in upper stretch.
