ONTOLOGY was allowed to settle into stride at the back of the pack travelling two wide on the first turn, galloped along unfazed seeing the field down the backside, shifted out getting scrubbed on for more at the five sixteenths pole, had a sharp turn of foot outside foes leaving the quarter pole, swooped around horses widest in the five path at the top of the stretch and was full of run in the drive outside picking off rivals one by one through the lane taking the lead by the sixteenth pole and winning going away at the wire. GO OLIVIA was headstrong behind rivals in the two path entering the first turn, settled down having a good spot on the rail alone watching the engaged trio down the backside on the fence, edged up on the far turn hugging the rail at the quarter pole, shaved the corner in the hunt in upper stretch, chased the winner in earnest home in the final furlong but had to settle for a tie for the runners up share at the finish line inside. FAITH UNDERSTOOD was floated out four wide heading the first turn, advanced in the three path around the initial bend to prompt the pace three deep outside by the half, continued an overland journey still going three wide on the far turn arguing for the lead outside of two others, shifted to the four path at the top of the lane, was in the heat of battle between rivals at the furlong pole, could not match strides with the winner outside late but did surge right at the wire to share for the runners up share outside. EDEY was under a snug hold taking this field on the rail through the first turn, set the pace having a narrow advantage on the fence while pestered by two outside rivals along the backside, continued holding off foes while taking the shortest way around the final bend, had the two path clinging up top with rivals on both sides bearing down and could not find more late fading between rivals in the final sixteenth of a mile to only be a fringe player in the end. SOLO MISSION travelled three wide tracking the frontrunner outside around the first of two turn, sat off the leaders right flank between runners down the backside, continued to apply pressure vying between foes on the second bend, shifted to the three path for the stretch drive but had no finish being outkicked by foes on each side in the final furlong.
