MAGIC MODIE was under a snug hold having the early advantage, let the outside rival making a move go on with it early through the first turn, had a good spot watching the loose leader on the fence midway down the back straight, had to be put on hold getting throttled down on the inside from the three eighths marker to the seven sixteenths pole, rallied with a sharp turn of foot when asked midway along the final turn, shifted out three wide with a crisp move around foes at the quarter pole, gathered more speed in the four path straightening out for the drive, seized control getting a head in front at the furlong marker and held safe at the wire for the stretch running win. PURRFECT GIRL broke out but was quickly corrected at the start, had tight quarters three wide on the first turn having to be checked at the three quarters pole, trailed down the backside, closed the gap but could not gain position at the half, circled strongly three wide at the five sixteenths pole, angled to the four path in upper stretch coming on, threatened three wide at the furlong pole but could not get to the winner late being just second best on this day. TWISTING PISTONS had the outside sitting in mid-division, improved entering the backstretch to track the loose leader outside the eventual winner, continued to close in dueling three wide outside going head-to-head up front going into the last bend, edged clear briefly at the quarter pole, had company on both sides just holding on two wide in upper stretch, could not keep up relinquishing the lead to the winner outside by the eighth pole but did show some late grit digging in late to just last at the finish line for the show award. AUSSIE HYPER had the rail position sitting in mid-pack, settled inside two others in the third tier early down the backside, pulled the rider up the fence to battle for the front end by the seven sixteenths marker, threw it down with an outside foe around the last turn, came under a drive but was giving way slightly up top at the quarter pole, resurged when scraping paint at the top of the stretch and fought on gamely inside down the lane but gave way slightly in deep stretch to settle for a minor share only in the end. TALENT SHOW was near the rear between foes being checked slightly on heels briefly midway along the initial turn, remained close to the back end with runners on both sides along the back straight, started to pick up the bit at the three-furlong marker, could not match strides with the eventual winner on the outside leaving the quarter pole and faded in the three path by the furlong marker. MRS. HOT SHOT was brushed by the inside foe on the start, travelled four wide outside foes in midfield on the first of two bends, remained outside three deep in the third flight down the backstretch, was scrubbed on but could not quicken with others commencing a run while three wide at the three eighths marker and came up empty running just off the fence through the lane. PICKFORD SWEET travelled five wide on the outside of runners heading into the first, circled foes to seize command by the three quarters pole crossing over to the rail, was loose up top down midway down the backstretch, offered no resistance surrendering the lead being engulfed by runners on both sides by the seven sixteenths pole, dropped back steadily between foes in the far turn running and could not factor onside in the stretch drive.
