TIHO SRCE had the fence keeping tabs on the engaged twosome, was reined back a touch shifting outside three wide in midturn, angled to the four path looming boldly outside turning for home and wore down foes one by one in the drive to edge clear for the win when crossing the finish line. HOWSITGOINOWEN prompted the issue outside down the backside, seized command two wide outside by the three eighths marker, opened up smartly through the turn, remained well in control just off the fence in mid-stretch, started to get leg weary asking for the wire with a sixteenth left to run but could not fend off the winner any longer at the seventy yards marker and then just held at the finish line for the runners up position. DWIGHT tracked the front pair while three deep down the backstretch, chased the duo while going two wide on the bend, angled to the three path in the mix in upper stretch and finished up mildly in the last furlong to be a clear third while almost closing in late for the place share. LOHAN became restless behind the gate getting loaded last with the rider off, was hustled for the early lead on the rail, surrendered the front inside at the three eighths pole, came under a ride being urged on through the turn with the pacesetter getting away at the quarter pole, had the two path chasing the leader in upper stretch but faded inside of rivals in the last furlong settling on the fringes. MARSHALLTOWN travelled with runners on either side in the second flight along the back straight, was hard ridden around the bend but retreated with a quarter mile from home dropping out of contention, hugged the rail staying on the wrong lead at the top of the stretch and could not get involved in the late going. WU TANG KING had a slow start probably due to being in the stall for a lengthy period prior to the gates opening up, lagged well behind in the turn running and lost touch with the pack by upper stretch.
